Celebrate the New Year with a First Day Hike or Ride at the **Middlesex Fells Reservation!** Join DCR and the Friends of the Fells for a short walk along Spot Pond or a longer hike around the High Service Reservoir. The Spot Pond hike is easier and shorter and will go by the historic Tudor Barn. The reservoir hike is longer and more moderately paced, but will allow visitors the chance to traverse several different types of terrain. Looking for an even faster pace? Bring your bike and join the New England Mountain Bike Association (NEMBA) for a ride!

Afterwards, warm up at Botume House **with hot cocoa and conversation.** Co-Sponsored by the Friends of the Fells and Greater Boston NEMBA.
